

# SPECTRA TRANSFORMATIONS

A JOURNAL DETAILING THE STEPS TO IMPROVED HORSE HEALTH AND PERFORMANCE

Volume 2

*“Caprechio has 6 National Titles, 6 Grand National Titles and 1 World Title. He’s 17 years old and still going strong, thanks to **MEGA-FLX**!”*

– Suzanne Cantrell

## Caprechio del Richuelo 2 Week Transformation

**Owner:** Suzanne Cantrell –  
Fox Hill Paso Fino Farm, Ocala, Florida  
*Home of multiple World, Grand National  
and National Champions*

### Steps to Success

1. Start with a healthy breakfast; grain top dressed with 1oz of **MEGA-FLX**
2. A regular routine of light exercise 3 or 4 days per week.
3. Turn out time on weekends
4. Lots of love!

### Owner's Comments

*“Six National Titles, six Grand National Titles and one World Title and he’s still going strong. Caprechio is 17 years old, he started his show career in 2008 and over that time he has accumulated over 2900 show points. In 2014, I was seriously considering retiring him from the show ring as he started showing signs of discomfort so I had his hocks injected, but I couldn’t see any noticeable improvement. Then I discovered **MEGA-FLX** and that changed everything. I truly believe Spectra’s **MEGA-FLX** has helped immensely in keeping Caprechio healthy and sound.”*

# MEGA-FLX®+HA

## JOINT & MUSCLE HEALTH/MOBILITY SUPPORT

“THE SORE MUSCLE & JOINT SOLUTION™”

### Description

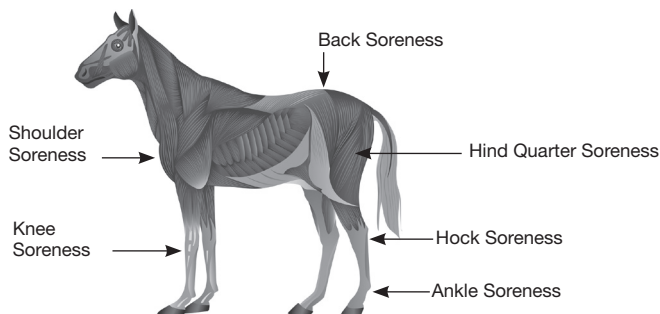

**MEGA-FLX +HA** is a patented solution combining our proven selenium and vitamin E absorption system for muscle soreness along with premium key nutrients that promote joint health. **MEGA-FLX +HA** is the only joint supplement to contain FLX<sup>4</sup>, a proprietary brand of functional antioxidant shown in studies to provide a superior 1.75 average lameness improvement (AAEP's Lameness Grading Scale). Most joint supplements average only around 1.0. **MEGA-FLX +HA** combines the fast relief of HA and MSM to the long term lameness improvement of our FLX<sup>4</sup> ingredient.

### Indications

For horses experiencing joint pain and muscle soreness.

### Dual Action Formula

Joint soreness leads to muscle soreness. **MEGA-FLX +HA** addresses both.

### Powerful Antioxidants

**MEGA-FLX +HA** contains high purity selenium and natural vitamin E antioxidants along with our potent FLX<sup>4</sup> functional antioxidant. Unlike typical antioxidants that require one molecule of antioxidant to be sacrificed for every free radical, FLX<sup>4</sup> antioxidant is so powerful that one molecule can quench millions of free radicals.

USEF & FEI Compliant

- Unique patented formula
- Excellent absorption
- Dual action formula
- Proprietary FLX<sup>4</sup> Functional Antioxidant
- Superior average lameness improvement
- High purity, clinically studied MSM
- High purity, pharmaceutical grade HA
- High purity selenium
- 100% bioavailable vitamin E
- Non-allergenic – no marine derived materials

## MEGA-FLX®+HA
